

The Brick Canada

Price Matching Policy

Price Guarantee

If you find the same brand and model you purchased from us, or and this brand is either advertised by us or a competitor at a lower price, on identical terms and conditions of sale (including, without limitation, finance terms) within 30 days of the delivery or pick-up of the product, we will be pleased to refund you the price difference in full. The Price Guarantee on all sleep sets is extended to 90 days of delivery or pick-up of the sleep set plus an additional 10% of the difference between the price you paid for your purchase from us and the price advertised by us or a competitor for the same brand or model. The Price Guarantee is extended to 90 days on all major appliances if purchased on your Brick Card. In order to qualify, merchandise must be available for immediate sale and cannot be of limited quantities, damaged, used, being liquidated, sold without warranty, or close out inventory. Our Price Guarantee does not apply to "As-is", limited quantity, floor model, discontinued items or exclusive items. For exclusive items, our Price Guarantee applies only for the same brand and model advertised by us on the same terms and conditions of sale.
