

Leon's Canada

Price Matching Policy

At Leon's, you can always feel comfortable with your purchase and proud of your choice. And you'll never have to worry about paying too much because Leon's is the only home furnishings retailer in Canada with Integrity Pricing.

Leon's exclusive Integrity Pricing means you always get the best price. Guaranteed to be the lowest for 60 days*. If, within 60 days of your purchase, you see the identical merchandise at a lower published price by an authorized Canadian dealer in the same local trading area, under the same terms and conditions, Leon's will gladly refund you the difference in full upon verification of the details. Published price includes the price of the product plus any membership, administrative, or delivery charges. See your sales associate for full details.

*Merchandise must be the same brand name, same model and, if financed, must be sold under the same finance terms including any administrative or membership charges. Prices may vary from region to region. Price guarantee does not apply to: advertising errors; not in stock items; minimum quantity offers; limited time offers; rebates; coupons; premiums; gift cards; free bonus offers; product that is being liquidated or sold without a manufacturer's warranty; refurbished, damaged, worn or returned goods; floor models; builder rebates; internet only retailers; internet only offers; or going out of business/bankruptcy sales.

With Leon's Integrity Pricing, you get a lot more than just the best price!
